Caring is Central

2018

Dear Parent/Caregiver

The Department of Education recognises that there are many mature and sensible students whose parents allow them to drive cars to and from school.

If students are required to attend departmental activities away from the school or institute site, parents, community members or other students may provide transport to and from the activity subject to the following conditions.

- Written permission from the parent(s) of the student being transported is obtained.
- If students are transporting other students, written permission from the parent(s) of the driver must also be obtained to not only use the vehicle but also to transport other students.
- The driver must be licensed.
- The motor vehicle must be registered.
- The number of passengers that the vehicle must not exceed the number of seat belts or in the case of larger vehicles, the number of passenger that the vehicle may be licensed to carry

Current driver's license and car registration details must be sighted prior to giving permission for students to be transported in the vehicle.

Transporting students in parents or other student's vehicles should only occur in those circumstances where there is no other feasible option available to provide the transportation.

If you wish your child to be given this concession, please complete the relevant form and return it to the school. Completion of the attached forms is compulsory.

Regards

Mr John Beer
Principal
