Dear Parents and Caregivers

Footsteps Drama Program

Purpose:	Footsteps Drama Program engages students through purposeful and creative structured activities based on improvisational drama. Students will explore and experience the role of both artist and audience. We encourage the students to become aware of situations as they listen and respond as fictional characters. During a program, students will build on their skills, assisting in their ability to develop an understanding of a character. Fun and innovative activities will develop improvisation skills and encourage students to explore their voice and movement to create role-play. Footsteps drama program is curriculum compliant and students' learning outcomes will be achieved using voice, movement, social skills and fun activities.
