## FROM THE PRINCIPAL

Congratulations to Mr Leroy Szery on his permanent appointment as our fulltime Music teacher. He has already reinvigorated our music lessons across the whole school. It is exciting to see the students engaging in singing and playing musical instruments in their own time as well as in class.

Congratulations to Mrs Harrison who has been appointed as a permanent English teacher at Narrandera High School. I would like to thank her for the effort and expertise that she has put into the school and our students over the last four years. Beth will be sorely missed and we wish her all the best for the future. Mr Szery will be taking over the role of Year 8 Advisor.

The school cross country was a big success and well done to all of the competitors from Kindergarten to Year 12. Thanks to all of the parents and family that came along and supported their children and helped make it such an enjoyable event.

On Wednesday students in Years 3, 5, 7 and 9 will be participating in the NAPLAN Online Practice Tests. The practice tests are designed to help students adapt to answering questions on laptop computers. The results are not kept for these tests, it is just a practice for the technology usage and the type of questions. The actual NAPLAN tests will be held in mid-May. These provide the school with diagnostic results which will help us guide the students learning and improvement in the future.

Parents reading to their children from printed storybooks is very important. New research from paediatric specialists shows that reading from a device or an e-book fails to engage children in the same way as a storybook. Parents and children verbalise and interact more when the story and pictures are in print.

Dr Tiffany Munzer, at the University of Michigan, says that non-verbal interactions, including warmth, closeness and enthusiasm during reading time create positive associations with reading. Coolamon has a great range of books in our library so please encourage your children to borrow and read them.

# Whole School Cross Country 2019

Turia Pitt, Steve Moneghetti, Cathy Freeman, Craig Mottram, Benita Willis, Robert De Castella, Ron Clarke, Cliff Young & Forrest Gump. This is a list of some famous middle to long distance runners who may have found the going a little tough running against the mighty Coolamon Central students last Thursday the 22<sup>nd</sup> of March at the Coolamon Golf Course. In cooler morning conditions, students from Kindergarten all the way through to Year 12 laced up for our CCS annual cross country event, which doubles as a fundraiser for the McGrath Foundation. Plenty of students wore pink and either participated, volunteered or walked around the track throughout the cross country event, where students covered distances of 1km, 2km, 3km, 4km and 6km. With plenty of parents and guardians in attendance, our students were well supported on the track which made for some energetic cheering and close race finishes. In another close finish, Millwood wound up the day as house victors, by only a few points in front of Rannock who took the silver and the fast finishing Methul, who were handed the bronze. With Millwood winning two out of our three sports carnivals to date, they are in the box seat to take out the mighty Tom Goss Memorial trophy for best sporting house. This being said – as the late great Yogi Berra (Major League Baseball catcher for the New York Yankees and Mets) once said “It aint over till it’s over”. Hang in there Rannock and Methul, your still in the race!!

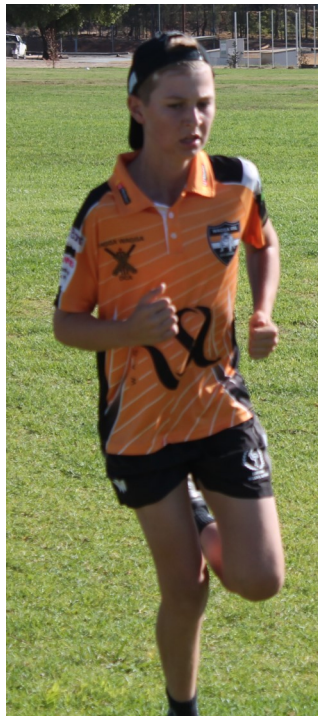

A reporter, who wishes to remain anonymous, managed to speak with some of our senior house leaders on cross country day. After running 4km and a fantastic time, Millwood captain Zoe Cartwright declared “What about that, I reckon I might put my name down for the next ultra-marathon”, as she sprinted over the finish line in a manner that would have impressed Usain Bolt. “Let me tell you, our CCS kindy kids, they are absolute lightning, what stars of the future” Makenna O’Brien, Methul house captain and avid cross country runner proclaimed as she crossed the line with the infants CCS students. Nodding in agreeance, Rannock captain Ashley Sanders added “As soon as race started, they were possessed! We could have some Olympians on our hands” as she walked away with Makenna, who both had a 2L water bottle, hand held fan, ice pack, zooper dooper, sprinkler, shower hose, sunscreen, a wide brimmed Akubra and pop up shelter in hand. Red faced from cheering her heart out, Rannock captain Madi Hard was in such a state after the races that she felt her life “May never be the same” as supporting and being a part of the Rannock team was, direct quote, “Better than seeing the Essendon Bombers win any game or premiership in the national AFL competition”.

A big thank you to everyone who attended the event and supported our students, your presence is always noted and very appreciated. Congratulations to all student runners, volunteers and walkers. Your contributions throughout the day were brilliant and reflective of our fantastic school.

A big congratulations to the student champions, who are now eligible to represent our school at the combined PSSA/CHS (Primary and Secondary) Cross Country carnival, to be held on Thursday the 4<sup>th</sup> of April at Ardlethan (notes to go out in the next day or so).

On Thursday 21st March I went to the Cross Country. Firstly, we walked with our

team houses. Secondly, we went to our starting point, but the people that were doing two kilometres had to walk one kilometre because the two kilometres starting point is a part of the three kilometres. Thirdly, we raced and raced until we got to the finish line. When I started running I was already puffed because I don't go for runs or run around the backyard like my brother or sister. Fourthly, we put our house points in and the teachers announced the ribbons and the medals. I got a ribbon and a medal and came first in my age group. Next, the high school helpers tried to entertain us. After all of that we finally went back to school. I think the day was the best day because I like Cross Country.

### PLAYGROUND SUPERVISION REMINDER

The School's supervision roster starts from 8.40am. There are no staff available to supervise students in the playground prior to this time.

We understand that many parents may have commitments at work which require them to start early. As an alternative, you may be able to make arrangements with friends or neighbours for the supervision of your children before school. Some families in our School who have working parents take turns to take each other's children to school.

Whatever arrangements you make, you need to understand that you remain responsible for your child prior to 8.40am when the School's supervision begins.

Please feel free to contact the Principal, Mr John Beer if you wish to discuss this matter.

# Riverina Swimming Carnival

Lots of excitement and nerves were shown early in the morning as everyone arrived at the Albury Swim Centre ready to represent the Coolamon/Ardlethan PSSA District. The cool morning started off with all of the freestyle events and then moved into the relays which was very exciting. After relays, students were marshalled for breaststroke, then backstroke, butterfly and finished off with the exhausting individual medleys. All donning the red and white caps, every student swam with purpose and enthusiasm. Many personal best times were achieved and great results were shown all over the pool

A big thankyou must go to all the parents and carers that transported the students to Albury to allow them to participate and experience this opportunity. Special mention to Keenan Crocker who finished first in the 13 years Boys Freestyle event and will now travel to Sydney on 11-12th April to compete at the State Swimming Championships. Good luck Keenan.

I thoroughly enjoyed observing our students mingle and cheer for one another. It was a pleasure being the team manager for such a great group of students with such fantastic behaviour, attitude and enthusiasm.

Mrs Lucas

## Medication for students at school

If your child requires medication while at school, please follow the following steps:

ALL medication must be kept in the school office. **Parents** are to bring the medication in to the front office with a **signed** note explaining **what** medication, **how much** and **when** it is to be given. If parents are unable to bring in the medication themselves, please ring to notify the school.

Thank you for your co-operation.

# Easter Hat Parade

JUST A LITTLE  
*Reminder*

Coolamon Central School would like to invite all parents, caregivers and community members to our Easter Hat Parade on Thursday 11th April 2019. The parade will be in the school hall at 12.40pm followed by an Easter egg hunt on the primary lawn. Students will make their hats at school and will need to purchase materials to do this.

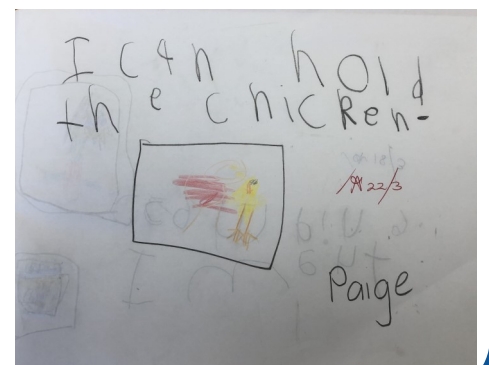

Looking forward to seeing all this years wonderful creations.

## Emerald

Emerald were very excited when Mrs Dunn bought her baby chickens in for a visit.

Thank you Mrs Dunn.

# Secondary Zone & Riverina Swimming Carnivals 2019

On Friday the 22<sup>nd</sup> February 2019, 22 very enthusiastic Coolamon Central School students made their way across the Riverina to Arah Park, for the Secondary Zone Swimming Carnival. Accompanied by Mr Besgrove and Mr Gear, as well as a large number of very committed parents and carers, our students excelled in the water and finished the day as carnival champions. "I literally felt like I was a boat, cruising across the water" Lachlan Caldwell Higman was quoted as saying after a strong swim in the freestyle. "How easy is the medley, we should of high fived during the butterfly" Chloe Clark, Abigail Crocker and Isabella Stuart commented after the girls dominated and went 1-2-3 in the 13 years Medley event. Noah Hatty, after several fantastic swims and a very close relay race stated "I just thought I'd give him a little head start, I really enjoy a challenge" after he pulled off a Winx like comeback to draw the junior boys relay into 1<sup>st</sup> place. "How good is the lasagne supplied by the P&C?! - I will absolutely be coming back" suggested Lewie Gear, on one of his very few breaks during the day. PB times were broken and support was energetically screamed from the sideline as number of our students punched their ticket to the 'big dance', the Riverina Carnival, held in Leeton 2 weeks later on the 4<sup>th</sup> of March.

Across both carnivals our students produced some great swims, results and most importantly represented our school our school values with pride and distinction. The Riverina Carnival in Leeton was no different. A big thank you must go to all our supporting parents and guardians who make the trip for these carnivals. Without you, these carnivals simply do not happen. Congratulations to all the students listed below who competed in the Zone and Riverina Swim Carnivals, as well as a BIG congratulations to our Central Schools mixed relay team of Peter McCallum, Archer Buchegger, Summer Buchegger and Bethany Crocker who will make their way to Sydney to represent our school and Riverina at the NSW CHS Swim Carnival.

Yours in Sport  
Thomas Besgrove

# 2019 NAPLAN

NAPLAN assesses literacy and numeracy – important skills that each child needs to succeed in school and life. The NAPLAN tests are designed to help us make sure students are on track with their literacy and numeracy development. Students in Years 3, 5, 7 and 9 participate in NAPLAN tests for reading, writing, conventions of language (spelling, grammar and punctuation) and numeracy.

Between 14<sup>th</sup> and 24<sup>th</sup> May, our school will participate in NAPLAN Online. Students do not need to be computer experts to take the NAPLAN test online. Making sure students have computer skills is part of our school curriculum, and our teachers will ensure your child is familiar with the online format. To see the types of questions and interactive features of NAPLAN Online, visit [the public demonstration site](#).

To help students become familiar with the platform students will be participating in a 45 minute practice test on Wednesday 3<sup>rd</sup> April.

If you have any questions about NAPLAN Online, please contact the school.

## *Civil Contractors Visit*

Kaylene from the Civil Contractors Federation and local Civil Contractor Duncan McCallum delivered an information session to students from Work Studies and Work Education Classes.

Most students were unsure what a civil contractor was but the videos and real life examples were humorous and engaging, allowing them to understand what a career in the industry would be like. It also provided the opportunity for open and honest discussion about wages, lifestyle and work ethic.

A big thank you to Kaylene and Duncan for taking time out of their day to share their expertise. The students took a lot away from the session and were able to see the advantages of a career that they hadn't considered before.

## *Pink Day*

The grand total of \$460 was raised on our annual Pink Day which is held in conjunction with our Whole School Cross Country. These funds will be donated to the McGrath Foundation. The McGrath Foundation is a breast cancer support and education charity in Australia, which raises money to place McGrath Breast Care Nurses in communities across Australia and increase breast health awareness.

# Breaky Central

With only 2 weeks left to go in Term 1, I would like to thank Marg and Jean who have been helping prepare and serve breakfast as part of our 'Breaky Central' program. Without the support of our community it just wouldn't be possible. A special thanks this term also goes out to GrainCorp for providing us with a variety of breakfast foods and to Steve's Bakery for donating us loaves of bread each week, it is donations like these that allows the program to keep running and we thank you greatly for your support! Breakfast will continue up until the last day of term.

# Music Camps

State Music Camp applications are now open!

**APPLY HERE** <https://www.artsunit.nsw.edu.au/state-junior-and-senior-music-camps>

Applications close Friday 3rd May 2019.

Talented music students join together for one week each year to receive expert tutelage and develop their performance skills. Participants rehearse and perform high quality repertoire culminating in a concert for families and friends on the final night of the camp.

Musical activities at camp include participation in a major ensemble (symphony orchestra, symphonic bands, vocal ensembles, stage band) as well as a number of elective ensembles and activities. Elective activities include brass and woodwind ensembles, jazz improvisation, composition, music theatre, percussion ensemble.

## DATES FOR 2019

- **Junior Music Camp** (Years 5-8): Sunday 21st July—Friday 26th July (week 1, Term 3)
- **Senior Music Camp** (Years 8-12): Sunday 30th June—Friday 5th July (week 10, Term 2)

**Venue:** The camps will be held at Sydney Academy of Sport, Wakehurst Parkway, Narrabeen. (Office of Communities, Sport & Recreation)

**Cost:** \$550.00 inclusive GST.

As part of The Arts Unit's support of the Department of Education's Rural and Remote Education blueprint for action, we are excited to be able to offer a Participation Subsidy of \$250 to students from rural and remote schools to attend a State Music Camp.

Please note: If interest exceeds available funds, allocation of the Participation Subsidy will be prioritised based on remoteness. Subsidies will be confirmed with acceptance notification.
