## FROM THE PRINCIPAL

Welcome back to all parents students and staff. I hope that you enjoyed the break and are all refreshed and ready to enjoy another year of learning and growth. Our student enrolment has remained fairly steady at 320. As our Primary numbers are just below what the Department requires to pay for an additional staff member the school will continue to fund this position. We see it as a priority to reduce class sizes, thus increasing the teacher's capacity for individual or small group learning. Coolamon is continually striving to improve both academic performance and student wellbeing.

Congratulations to Mrs Delaney on her appointment as the Principal of Junee Public School and to Mrs McPherson who has been appointed as the Relieving Principal of Matong Primary School. Mrs White and Miss Taylor will continue as our Relieving Assistant Principals in the primary. I would like to welcome Mrs Lucas, Miss Guymer and Miss Barker to our primary staff. Mrs Collins has been appointed as a Science teacher in the secondary. Mrs Vogt has re-joined us and teaching in a variety of secondary roles.

The roles of staff change from one year to the next. The major roles that parents need to be aware of this year are:

### Primary Learning and Support

Mrs White

### Secondary Learning and Support/Wellbeing

Mr Celi

### Careers Adviser

Miss Edyvean

### Girls Adviser

Miss Edyvean

### Boys Adviser

Mr Schulz

### Year 12 Adviser

Mrs McDonald

### Year 11 Adviser

Mrs Crocker

### Year 10 Adviser

Mr Celi

### Year 9 Adviser

Miss Edyvean

### Year 8 Adviser

Mr Besgrove

### Year 7 Adviser

Miss Batcheldor

### Sports Organisers

Mr Besgrove & Miss Taylor

The year advisers are your first point of call in the secondary school should you have any enquiries about your children and their performance at school. Alternatively, Mr Ireland or I are always happy to speak to parents about any concerns they may have.

## FROM THE PRINCIPAL CONTINUED...

Congratulations to our 2017 Year 12 students who have achieved to the best of their ability. Many of them are moving on to tertiary education at university and training at TAFE. Several have gained apprenticeships, which is very pleasing.

The school has been fortunate in gaining a \$20,000 Digital Literacy School Grant from the Australian Government. A big thanks to Mr Rerden who was able to gain this grant for Coolamon Central School in a very competitive field. It is to be implemented across the school to improve student engagement in Science, Technology, Engineering and Mathematics (STEM) as well as delivering increased confidence in Digital Technologies.

Coolamon Central is very proud of those students and staff that were nominated for Australia Day Awards at Ardlethan this year:

Coolamon Central Journalism Club, Ellie Dalgarno Fixter, Heath Walker, Jakob Taylor, Jacob Craig, Miss Edyvean Music 4 Mates and Shear 4 Mates

Congratulations to Jessica McCallum who was awarded the Young Sportsman of the Year.

It has been decided to revamp the P&C this year and concentrate its efforts on one major fundraiser for the year. There will be fewer meetings and we are hoping to gain more parent involvement. The AGM will be held in the school library on Wednesday February 14<sup>th</sup> from 6.30. New members are always welcome.

I am looking forward to meeting as many parents as possible at the school's twilight swimming carnival this Thursday evening. Please come along and add your support to a great event.

## Learning and Support

The Learning and Support Team (LST) co-ordinates student support services in the school. The LST is based on the principals of collaborative consultation utilising the expertise of a diverse range of people to solve mutually defined problems through the provision of quality programs. The goal of the LST is to promote successful learning outcomes for all students and co-ordinates services which maximise human and physical resources.

The LST has a number of key staff who are integral in supporting student learning. In Primary we have Mrs Manley and Mrs White and in Secondary Mrs Weatherald, whose roles are Learning and Support Teachers (LaST). In their role they conduct diagnostic testing and run various intensive literacy/numeracy programs. Pictured on the following page are our wonderful Student Learning and Support Officers (SLSOs) who work across the school (K-12).

If you would like to discuss your child's progress please don't hesitate in contacting;

Primary - Mrs White, Assistant Principal

Secondary - Mr Celi, Head Teacher Welfare

We look forward to a productive learning environment in 2018.

# New Books

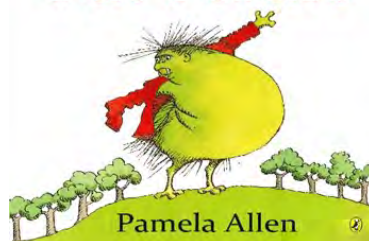

From Anh Do, the creator of Weir Do and Hot Dog, comes Ninja Kid. Nelson, a nerd, who's unfit, uncool and totally awkward, wakes up on his tenth birthday to discover he's a ninja. The last ninja on Earth! How's he going to save the world when he can't even get his undies on the right way?

Olivia is back to tell you about so many super amazing and important things she has discovered in her new book, Olivia's Secret Scribbles. PS: she also has a new best friend.

## Featured Artist

**Fat Ferdinand**

Pamela Allen is a phenomenon in the world of children's literature. For more than thirty-five years her picture books have enchanted generations of children around the world, and have garnered a glittering array of awards and commendations. Pamela's books are full of the music of language; they are 'fragments of theatre', designed to be read aloud and shared between an adult and a child.

The library currently has a display of Pamela Allen's books, as well as a COMPETITION for all students. Infants students simply need to borrow one of these, while all other students must create a new title as a sequel for Allen's book, Fat Ferdinand. The title MUST contain alliteration to be in the running. Winners will be drawn at the end of Week 5 and will receive a PRIZE from the library.

## Book Club

The first issue of Bookclub  
is due back on  
Wednesday 21 February  
2018

## Kids tired of Twitter

Young people who spend too much time on social media are three times as likely to be sleep-deprived. Visiting sites such as Facebook and Twitter for just an hour a day raises the risk of sleeplessness by 46 per cent, a study found. Researchers said blue light from smartphones and tablets disrupted the natural body clock. Teenagers who stay up late posting photographs and comments also risk changing their sleep cycle so it becomes harder to fall asleep. Those who spent five or more hours a day on social media were three times as likely to be sleep-deprived than those who did not use it.

To support one of our primary students, Jarvis Pritchett to reach his goal of raising \$4000 for The Worlds Greatest Shave, he will be raffling off a signed 2018 Sydney Swans guernsey.

Tickets can be bought for \$5 each at the New Coolamon Hotel and will be drawn when Jarvis shaves his head on Friday March the 2nd.

Thanks to Harry Cunningham for organising the guernsey and everyone for your support of this great cause.

You can also sponsor Jarvis directly by using the link below:

The NSW Government is helping kids get active with the new Active Kids program. From 31 January 2018, parents, guardians and carers can apply for a \$100 voucher per calendar year for each student enrolled in school. The voucher may be used with a registered activity provider for registration, participation and membership costs for sport, fitness and active recreation activities. The voucher can be used at any time during the calendar year it was issued. To use the voucher, give your voucher details to an approved Active Kids Provider. The program runs year round, so kids can get active at any time!

# Compulsory School Attendance

## Information for parents

Education for your child is important and regular attendance at school is essential for your child to achieve their educational best and increase their career and life options. NSW public schools work in partnership with parents to encourage and support regular attendance of children and young people. When your child attends school every day, learning becomes easier and your child will build and maintain friendships with other children.

### What are my legal responsibilities?

Education in New South Wales is compulsory for all children between the ages of six years and below the minimum school leaving age. The *Education Act 1990* requires that parents ensure their children of compulsory school age are enrolled at, and regularly attend school, or, are registered with the Board of Studies, Teaching and Educational Standards for homeschooling.

Once enrolled, children are required to attend school each day it is open for students.

### The importance of arriving on time

Arriving at school and class on time:

- Ensures that students do not miss out on important learning activities scheduled early in the day
- Helps students learn the importance of punctuality and routine
- Give students time to greet their friends before class
- Reduces classroom disruption

Lateness is recorded as a partial absence and must be explained by parents.

### What if my child has to be away from school?

On occasion, your child may need to be absent from school. Justified reasons for student absences may include:

- being sick, or having an infectious disease
- having an unavoidable medical appointment
- being required to attend a recognised religious holiday
- exceptional or urgent family circumstance (e.g. attending a funeral)

Following an absence from school you must ensure that within 7 days you provide your child's school with a verbal or written explanation for the absence. However, if the school has not received an explanation from you within 2 days, the school may contact you to discuss the absence.

Principals may decline to accept an explanation that you have provided if they do not believe the absence is in the best interest of your child. In these circumstances your child's absence would be recorded as unjustified. When this happens the principal will discuss their decision with you and the reasons why.

Principals may request medical certificates or other documentation when frequent or long term absences are explained as being due to illness. Principals may also seek parental permission to speak with medical specialists to obtain information to collaboratively develop a health care plan to support your child. If the request is denied, the principal can record the absences as unjustified.

### Travel

Families are encouraged to travel during school holidays. If travel during school term is necessary, discuss this with your child's school principal. An *Application for Extended Leave* may need to be completed. Absences relating to travel will be marked as leave on the roll and therefore contribute to your child's total absences for the year.

In some circumstances students may be eligible to enrol in distance education for travel periods over 50 school days. This should be discussed with your child's school principal.

**My child won't go to school.  
What should I do?**

You should contact the principal as soon as possible to discuss the issue and ask for help. Strategies to help improve attendance may include a referral to the school's learning and support team or linking your child with appropriate support networks. The principal may seek further support from the Home School Liaison Program to develop an Attendance Improvement Plan.

**What might happen if my child continues to have unacceptable absences?**

It is important to understand that the Department of Education and Communities may be required to take further action where children of compulsory school age have recurring numbers of unexplained or unjustified absences from school.

Some of the following actions may be undertaken:

- Compulsory Schooling Conferences

You may be asked, along with your child, to attend a Compulsory Schooling Conference. The conference will help to identify the supports your child may need to have in place so they attend school regularly. The school, parents and agencies will work together to develop an agreed plan (known as Undertakings) to support your child's attendance at school.

- Application to the Children's Court – Compulsory Schooling Order

If your child's attendance at school remains unsatisfactory the Department

may apply to the Children's Court for a *Compulsory Schooling Order*. The Children's Court magistrate may order a Compulsory Schooling Conference to be convened.

- Prosecution in the Local Court

School and Department staff remain committed to working in partnership with you to address the issues which are preventing your child's full participation at school. In circumstances where a breach of compulsory schooling orders occurs further action may be taken against a parent in the Local Court. The result of court action can be the imposition of a community service order or a fine.

**What age can my child leave school?**

All New South Wales students must complete Year 10 or its equivalent. After Year 10, and up until they reach 17 years of age, there are a range of flexible options for students to complete their schooling.

**Working in Partnership**

The Department of Education and Communities recognises that working collaboratively with students and their families is the best way to support the regular attendance of students at school.

We look forward to working in partnership with you to support your child to fulfil their life opportunities.

**If a student misses as little as 8 days in a school term, by the end of primary school they'll have missed over a year of school.**

Further information regarding school attendance can be obtained from the following websites:

**Policy, information and brochures:**

Please visit the Department of Education's *Policy library*

**The school leaving age:**  
Please visit the Department of Education's *Wellbeing and Learning website*

**Do you need an interpreter?**

Interpreting services are available on request, including for the hearing impaired. The Telephone Interpreter Service is available 24 hours a day, seven days a week on 131 450. You will not be charged for this service.
