from the Principal

The end of Term 3 is already here. Time flies when you are having fun, or at least when you are very busy.

This week, we bid farewell to Year 12 as they complete their final days in the classrooms of CCS. Some fun activities are planned during the week with a final assembly on Friday. We hope you enjoy this time and wish you all the best in your upcoming HSC examinations next term.

I recently had the pleasure of announcing our leadership team for 2025. Captains, Eva Lucas and Aaron de Haan, and Vice Captains Olivia Crocker and Allie Delaney. I look forward to working with you in the coming year.

Congratulations to all our incredible students who received awards at our recent inaugural sports presentation. A big thank you to our guest speaker Gemma Walker, for being a part of our celebration, and to all the parents and carers who attended. Your support helped make the day truly memorable.

Congratulations to our dance troupes who placed 1st (Secondary) and 3rd (Primary) at the Wagga Eisteddfod. What a fantastic achievement! A huge thanks to Year 11 student Eva Lucas for choreographing the primary group and Gavin Hulm for choreographing the secondary.

Finally, thank you everyone for a great term. Stay safe and enjoy the break.

Maths/PDHPE Faculty Assembly

Congratulations to our award winners from the Secondary Wellbeing Assembly held in Week 7. Our students were recognised for their outstanding application in Mathematics and PDHPE subjects; unfortunately there was a technical issue with the printing of the Year 12 awards.

Bronze, Silver and Gold and Platinum Award Winners

Congratulations!

Congratulations to our dance troupes who placed 1st (Secondary) and 3rd (Primary) at the Wagga Eisteddfod.

Huge thanks to Year 11 student, Eva Lucas, for choreographing the primary group and Gavin Hulm for choreographing the secondary group.

BEFORE SCHOOL

Parents and students are reminded NOT to arrive at school any earlier than 8.40am as there is no playground supervision before this time.

CAR PARK GATES

Students are asked to avoid using the carpark gates to enter the school and to use the front gates of the school as this is a safety issue for students with cars entering and exiting the carpark.

10 MINUTE PARKING ZONE AT FRONT GATES OF SCHOOL

The 10 minute parking zone at the front of the school is for pick up and drop off only.

Please do not park any longer than the allocated time of 10 minutes in this zone.

This is a Police enforceable zone.

Dear Parents

Re: School Bytes – Receive Notifications and pay for student charges.

From the start of Term 3 all permission notes for excursions and events will be online through School Bytes. Payments can also be made online through School Bytes or through the front office via cash or card. There will be **NO** paper permission notes.

In the very fast paced world we live in, we understand the need for parents/carers to have the flexibility to make payments outside of school hours.

Accessing your School Bytes Parent Portal.

If you have not already set up a parent portal please use the following link to do so

<https://portal.schoolbytes.education/auth/login>

Below is a link to the school bytes Parent guides that you will find helpful.

[PARENT GUIDES – School Bytes](#)

School Website

You can access your portal through the school website from the Make a Payment Tab. You will also find user guides and registration and access links here if you have not already created an account.

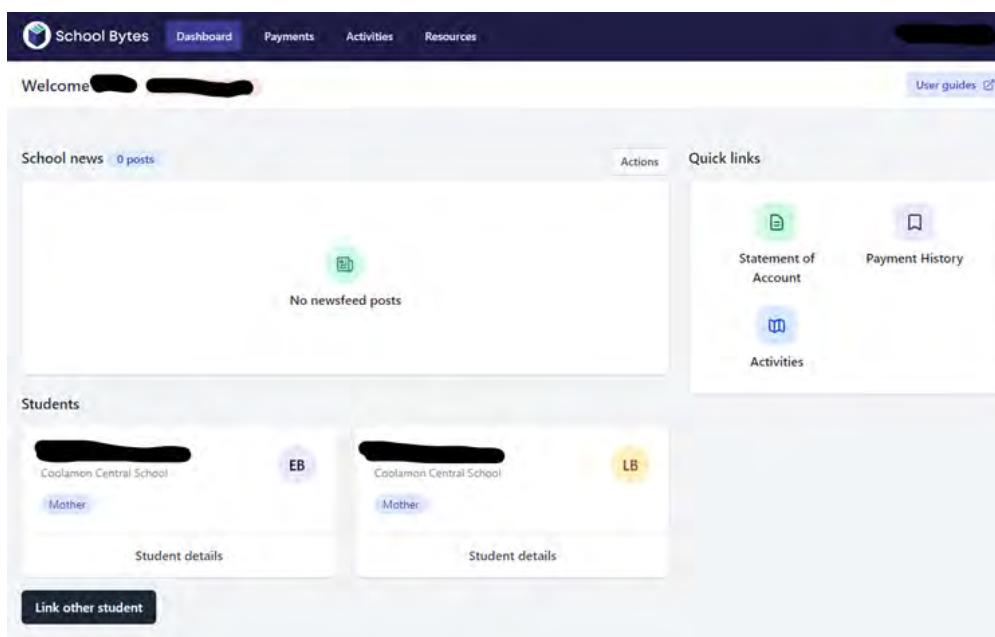

School Bytes Portal – Computer

Go to the School bytes portal. In the banner at the top of the page click on “Payments”. This will take you to the Statement of Accounts and Fees, Excursions and events will be listed here with any outstanding amounts displayed. Pay by clicking on the pay now button and pay the full amount if required or adjust the amount if you are required to make a partial payment for a deposit or instalment.

School Bytes App – Mobile Phone

Download the School Bytes App.

On the home page tab on the green rectangle with \$ Payment. This will display your Statement of Account which will include any Fees or Excursion /Events that have been invoiced. The name of the event will be displayed. You can make a payment by clicking on the “Pay Now” button and pay the full amount if required or adjust the amount if you are required to make a partial payment for a deposit or instalment.

(continued over page)

Please Note.

- We would advise you to turn on your notification for the School Bytes app as you will receive notification of any new invoices added to your account. **From the start of Term 3**, notifications for permission for your child to attend will also be visible in the app. Turning on your notifications will ensure you do not miss any critical information being sent to you.
- If an excursion requires a deposit and has a payment plan, the whole cost of the excursion will be displayed however you will be able to make part payments (unless an item is locked – such as a food component) to the excursion by entering the required amount. E.g. an excursion in \$200 and requires a deposit of \$100, you can enter the \$100. You will then be able to see the remaining balance payable after that payment has been processed.
- You will also receive an email from noreply@mail.schoolbytes.education. Please add School Bytes to your safe senders list so that the email does not go to your junk folder.

If you are experiencing any difficulties paying through the App or the Portal please do not hesitate to contact the school office.

Kind Regards,

Catherine Roberts

PLEASE NO NUTS

Anaphylaxis is a severe and sometimes sudden allergic reaction. It can occur when a susceptible person is exposed to an allergen, such as food or insect stings. Reactions usually begin within minutes of exposure and can progress rapidly over a period of up to two hours or more. Anaphylaxis is potentially life threatening and always requires an emergency response.

In order to support students at risk of anaphylaxis, we aim to ensure every reasonable effort is made to minimise their exposure to known allergens within the school environment and during school related activities. To further support this, we ask that parents refrain from sending peanuts and all tree nuts to school with their children. This includes peanut or any type of nut butter and Nutella sandwiches as well as muesli bars that contain nuts.

Please do not hesitate to contact the school office should you wish to clarify details regarding anaphylaxis and our strategies to minimise its risks. Anaphylaxis is a serious concern, and we thank you in advance for your co-operation.
