## Bezy's Backboard

Welcome back for another edition of Bezy's Backboard!

I hope Week 9 is shaping to be a clear slam dunk for our CCS community with absolutely no chance of a technical foul or broken backboard! This edition sees us near the end of a very busy Term 3, acknowledging all the sporting achievements that have occurred at CCS.

From Cross Country runners, State swimmers and Athletics champions through to Netballers, Touch footy stars and representative AFL talents, our CCS students have significantly achieved across a variety of sports throughout the 2022 calendar year. A massive congratulations to all participants, winners, and representative players – you continue to do our school proud when showcasing skill, effort and integrity.

During week 7 this term, our school sent both under 16s and opens Netball and Touch Football teams to the Central School State finals. The CCS buses, along with a few hired buses, made the five-hour journey to Dubbo in Central West of NSW to play in the state carnivals. This is no small achievement – there are approximately 70 Central Schools in New South Wales who are vying to play state finals, so to even make the carnival places our school in the 'top 5' for Central School Netball and Touch Football in the state.

During the carnivals a 'Players Player', 'Coaches' and 'Values' award were voted upon and selected, which will be announced at the next wellbeing assembly at school. Teams played between 5-6 games in the carnivals against the best of the best our Central Schools have to offer. As the week drew to a close, the mighty navy, white and blue finished with very respectable results across all teams. Tries were scored, shots were blocked and many a sore student body finished the gruelling carnivals with a smile on their face and the comfort of home on the mind.

U16s Netball 4th place

Opens Netball 3rd place

U16's Touch Football (B) Equal 4th place

U16's Touch Football (G) 5th place

Opens Touch Football (B) 2nd place (Silver)

Opens Touch Football (G) 5th place

In particular – a big congratulations to the Opens Boys touch team, who after a final game showdown against a strong Boorowa team, finished with a very determined silver medal!

A big thankyou to all staff, students and parents for your contribution to the state carnivals! From travelling, to general organisation and player participation, we appreciate every effort made to provide a sporting outlet for our students and Coolamon Central School.

## from the Deputy Principal Desk

Just a couple of quick points to let the community know that Mr Beer will be on leave until the end of term. Mr Ireland will be relieving as Principal and Mr Atkins will move into the Deputy Principal role.

Due to the public holiday on Thursday 22nd September, the Year 12 Final Assembly will move to Friday 23rd September at 9.30 am.

Lastly, I would like to wish our Year 12 students all the best as they approach their final days at CCS and prepare for their HSC exams early next term.

Nine unsexed Barter Brown (Rhode Island Red X White Leghorn) for sale.

**\$15 each**

Please call the school if interested in purchasing.

Will need to supply own box for transportation.

# Riverina Central Choir

Aaron de Haan recently enjoyed every part of his music excursion with Riverina Central Choir for Southern Stars in Wollongong, followed by In Concert in Sydney.

**Southern Stars Arena Spectacular** - Aaron was a part of the massed choir rehearsing their 20 songs and choralography for two days prior to performing in four concerts at the Wollongong Entertainment Centre. As well as singing in the gallery, the 500 strong choir also sang and performed on the Arena floor for two of the items.

**In Concert at Sydney Opera House** - Aaron was in the Combined Secondary Schools Choir of 750 voices accompanied by the Arts Unit's premier instrumental ensembles, performing in the newly refurbished Concert Hall of Sydney Opera House. Amongst the choir's repertoire was a song cycle by Australian composer, Sally Whitwell and the well-known Gloria by Vivaldi. They also accompanied this year's guest artist, Lior, for two of his songs, Real Love and Grey Ocean.

Aaron was commended for giving 100% to every rehearsal and performance, and was an excellent ambassador for our school.

# 2023 Captain Candidates

Good luck to our candidates for 2023 School Captains and Vice Captains, speeches were held on Friday 9th September and our successful students will be announced at an upcoming assembly.

**Unfortunately our school canteen will be closed on Friday 16th September 2022.**

**Please ensure that your child brings recess and lunch on this day.**

# JUMP ROPE *for* HEART

## Jump Off

On Friday 2nd September, students from Kindergarten to Year 6 spent most of the middle session participating in the Jump Rope for Heart Jump Off.

Students were split into groups before making their way around different activity stations to practice a range of skills including basic jumps forward and backwards, figure of eight-miss a loop, two in one rope face-to-face skipping, as well as skipping relays. Students enjoyed showing off their skills and tricks they have learned during this program. A special thanks to Mrs Maddox and her Year 9/10 helpers who were fabulous instructors on the day. This rounded out our five week skipping program where our goal was to raise \$2000 for the Heart Foundation. We exceeded all expectations and raised over \$3025.

Thank you to all the families and community members who have donated to a very important cause.

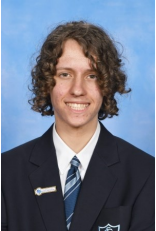

# Year 12 part 2

Isabella (Izzy, Bella) Wooten. My aspirations after school are to be a Hairdresser or become a trainer/manager at my current job. My best CCS memory is 9/10 Music with Mr Szery and the excursions. My advice to future students is always ask questions and don't doubt yourself, be your best. The best part about our school is the teachers and the great opportunities we get. I want to be remembered at CCS as someone they can always talk too and a friend they can count on.

Simeon (Sim) Cork. My aspirations after school are to make money to travel. Playing handball in primary school is my best CCS memory. My advice to future students is to enjoy it while it lasts. I believe in the future you will see me in a fancy car.

My future University Degree will be Law/Economics.

Ruby Horan. My aspirations after school are to take a gap year and save money. My favourite subject was definitely 9/10 iStem 2020. My favourite teachers are Mr Lyons and Mrs Corbett.

William (Will). My aspirations after school are to acquire an electrical apprenticeship. My advice to future students is to work hard and don't slack off. I want to be remembered as a whimsical dungeon master for dungeons and dragons.

# REROC Youth Forum

What happened: We did workshops that taught us about responsibility, law and order, self love and team building. We had a lot of fun and met lots of people.

What we learned: It was a leadership program that taught us how to present ourselves, information about the law and how it relates to choices that young people make. We also practised meditation and mindfulness and a team building lego activity helped us build confidence and how to be in a team. We listened to different guest speakers that inspired us deeply.

Names: Ellyse Quinell, Riya Bond, Emilee Dillon, Emma Riley, Olivia Crocker, Eva Lucas, Gemma Buck, Eden Firth and Mrs Wright.

We are excited to celebrate Narrandera's koala colony with the first ever Narrandera Koala Fest. The festival is dedicated to our furry friends who have a healthy growing population across the Flora and Fauna Reserve, koala regeneration area and surrounds.

This free event has loads of fun activities for everyone to enjoy. Throughout the day you can check out the koala and nature photography exhibition, take a guided tour of the koala habitat via shuttle from the Showground to Rocky Waterholes by Narrandera's famous Lions Train, watch a live performance by children's group Boomstars, enjoy a puppet show, then circus acts with fun interactive workshops in circus, art and nature. Food and art stalls will be available and free amusement rides for the kids including a climbing wall, jumping castles with slides and mechanical rides.

Stick around into the evening to enjoy a family bush dance with the Tin Shed Rattlers and take a second opportunity to watch the puppet show, Boomstars and view the photography exhibition.

The festival is at Narrandera Showground on Saturday 17 September, with event gates opening at 10am, free entertainment between 11am until 4pm and again from 5.30pm to 9pm.

For more information please visit [www.narranderakoalafest.eventbrite.com](http://www.narranderakoalafest.eventbrite.com) or Narrandera Visitors Centre.

This event is proudly funded by the NSW Government in association with Narrandera Shire Council.
