WEEK 10 TERM 3 2021

BE RESPONSIBLE

BE RESPECTFUL

BE READY TO LEARN

from The Principal

It sounds very unusual to welcome back all our students for the last week of term. We are very fortunate to be allowed back to school. I am sure that both you and your children appreciate this opportunity as do the school staff.

Consequently, there are many restrictions that have been placed on us to ensure a safe return to school. I am sure that most people are aware of these but there are a couple I would like to highlight:

- NSW Health have ensured us that it is safe for all students to return to school
- All staff and high school students are to wear masks both in class and the playground
- While students are at school, they will be separated into their stage groups in the playground
- We have separated students into different canteen lines, whilst accessing the canteen, but it is advisable for students to place lunch orders before school

It is a very difficult time for our Year 12 students who have had their studies disrupted. The HSC has been pushed back until November 9th and their results won't be available until January 24th. Unfortunately, we are unable to hold any formal Year 12 assemblies this Term.

Even though school operations are complicated at the moment, I am sure that we are all very pleased to be out of lockdown. I hope everyone has an enjoyable and safe holiday.

Community House Challenge

Students, parents, staff and community members were invited during lockdown to run, walk or ride for their house. Evidence needed to be posted of their kilometres, the date and which house they were supporting. The challenge ran from Monday 30th August to Sunday 12th September. The school has been blown away by the fantastic participation across the board by students, staff, parents and community members.

The last update from a week ago of kilometres travelled for each house:

Millwood - 223.7km

Rannock - 219.35km

Methul - 206.28km

We are all looking forward to see who will come out on top when the final tally is completed.

National Youth Science Forum

Congratulations to Bethany Crocker for being accepted into the 10 day National Youth Science Forum for 2022. Positions in the Forum are highly sought after and involve a comprehensive application process.

Great work, Bethany. Your hard work and dedication to learning has paid off.

Congratulations to Hannah Walker who has been nominated as one of the finalists for the NSW School Based Apprentice/Trainee of the Year! The award is for her commitment and dedication to her school based traineeship with the Coolamon Shire Council.

Hannah has the opportunity to also be awarded People's Choice Award which is open to the public for voting. Let's show Hannah our support by jumping on the link and voting for her.

***Voting closes 27th September 2021.** The winner will be announced on awards night on the 9th October, live through the NSW Training Awards.

Vote for Hannah on the following link:
