FROM THE PRINCIPAL

Welcome back for the last term of the year. Let's hope that the COVID-19 restrictions continue to decrease so things can return to more normality next year.

Once again, congratulations to our Year 12 2020. It was unfortunate that we were unable to have their families at the Graduation Assembly on Friday. Thanks to Mrs McDonald and all of the Stage 6 teachers who have provided them with extra support and assistance throughout the year. Good luck in your exams which start on Tuesday 20th October, 2020. All the best for your future endeavours.

Congratulations to Mrs Kerri McPherson who has been appointed as the substantive Principal at Matong Public School. Fortunately, we will continue to work closely with Kerri as Matong PS is one of our partner schools. We have now started the process to appoint a new Assistant Principal at Coolamon Central. A big thank you to Mrs Taber who has filled in as our Assistant Principal for the last three years. Mrs Taber will be on maternity leave from the beginning of Week 6.

Our 2021 Secondary Leaders were announced on Friday at the Year 12 Graduation Assembly. Congratulations to our Captains, Molly Sloan and Hannah Walker and to the Vice Captains, Jack Christopher and Peter McCallum.

Book Week Term 4 2020

This Wednesday, 21st October, is the day we celebrate Book Week. Students are asked to come to school dressed as a book character. There will be prizes for costumes as well as competitions running throughout the week in the library. Stay tuned for photos from our Decorate Your Door classroom competition, to be judged by Mr Beer on Wednesday. Mrs Dunn and Opal are clear front runners!

Footy Colours Day

The Student Representative Council is celebrating its annual Footy Colours Day on Thursday the 22nd of October, 2020. Students are encouraged to wear their favourite footy team's colours in return for a gold coin donation. All monies raised support the Fight Cancer Foundation's education program to help kids with cancer continue their education during treatment and recovery.

Well done to Penny Caldwell-Higman, Mr Pollard and Tamar Harper who guessed how many lollies were in the jars! We hope you enjoyed your yummy treats!

The lolly jar competition raised \$82 for the Write a Book in a Day teams.

We would like to thank everyone who sponsored students and supported the teams through the lolly jar competition. Overall, there was \$915 raised between the three teams. This money supports The Kids Cancer Project, for childhood cancer research.

SCHOOL CONTRIBUTIONS AND ELECTIVE FEES

While the course fee for your child's scholastic year is voluntary, elective fees are **compulsory** and are used to buy consumables for these subjects. If you are experiencing difficulty paying your elective fees please contact the school.

Payment options include cash, cheque or Eftpos via the front office or via the \$ Make a Payment tab on the school website. Please pay your contributions **as soon as possible** to allow the school to continue with important educational programs in 2020.

Primary Assembly Award Winners

Week 10, Term 3

Cross Country

Well done to our Primary students who participated in the Cross Country on Thursday 24th September 2020. Our 2020 Cross Country wasn't a normal cross country. Students walked down to the golf course to compete in their age groups and then returned to school. While their normal supporters weren't there cheering them on, every single competitor persevered through the course and crossed the finish line with a smile on their face.

A massive congratulations to our Secondary Cross-Country runners for the CCS Cross Country Carnival this year. Both participation and competitive students competed with respect, responsibility and were ready and raring to go when the starter said go, with a high number of runners competing on the day.

A big thank you to all students who wore Blue for Beau, and for the collective effort and participation on the day.

Thank you to the staff that assisted on the day.

School Travel for 2021

2021 school travel applications are now open

Applications for student travel in 2021 opened from Monday 12th October 2020. Students who require a School Opal card or travel pass for 2021 can now [apply](#) online. A new application should be submitted if a student is applying for a school travel pass for the first time or requesting an additional pass as a result of a new shared parental responsibility situation (e.g. joint custody). Students who have changed school/campus, changed address, repeated a year or received an expiry notification from Transport for NSW for their school travel entitlement should [re-apply or update their details](#).

*Applications must be completed by the student's parent or legal guardian if the student is aged under 16 years. Students 16 years and over must complete the application form themselves.

Where there is a change of distance eligibility based on a student's grade, the system will automatically update a student's entitlement if they meet the new criteria. If they do not meet the new [eligibility criteria](#), they will receive an expiry notification via email.

Students who have an entitlement approved under a medical condition which is due to expire will receive a notification advising them to re-apply.

Term Bus Pass holders will receive a notification to re-apply.

If a student needs to update their information or re-apply, they should go online to

<https://apps.transport.nsw.gov.au/ssts/updateDetails>

Applications need to be submitted before **31st December 2020** to ensure that current student entitlements are updated and their current entitlement/card remains valid. If their application is submitted after 31st December 2020, the system will automatically cancel an entitlement/card and a new one will need to be issued.

Students in the Opal network applying for a SSTS or Term Bus Pass entitlement for the first time will receive their card at their nominated postal address. Cards will be mailed out from January 2021

Students residing in Rural and Regional (R&R) areas should receive their travel pass at the commencement of the new school year from their nominated operator, this may be distributed via the school or sent direct to their address. Note: some R&R operators do not issue travel passes. Students/Parents should confirm with their nominated operator if they do not receive a pass.

Nutrition Snippet

The simplest way

...to make one ingredient ice cream.

Treat your kids to some homemade ice cream, minus the sugar and additives. Just 100% fruity goodness. Delicious!

Ingredients:
4 – 5 ripe bananas

Method:
*Slice the bananas into small pieces (about 1.5cm thick is ideal).
*Put the slices in a Ziploc bag and freeze them overnight.
*Place the frozen banana slices into a food processor. You may need to break up the slices a bit if they've frozen together in clumps.
*Blend until the mixture becomes smooth and creamy.
*Spoon the blended mixture into a shallow dish and pop in the freezer for about two hours.
*Scoop it out and serve immediately.
