## from the Principal

Week 7 already and another very busy two weeks have flown past at Coolamon Central.

Sport and excursions are keeping many students and staff busy. It is great to see so many students embracing the opportunity to participate in these events.

Well done to all those who had success at the District Cross Country and at the Boorowa Touch competitions. From all reports, students represented the school with pride and to those who progressed further in these sports, good luck.

The school is in full swing with the "Resilience Project". All classes or year groups are participating in weekly sessions with this program. I have observed many groups during these sessions and the engagement is fantastic. Hopefully, students will continue to gain some benefit from its diverse offerings. We will soon be rolling out some information to parents and caregivers to allow you to understand the program and to support the concepts with your children.

Lastly, can I congratulate the vast majority of students who consistently wear their school uniform. Could I encourage those who at times wear the incorrect uniform, to endeavour to get yourself organised with the correct items. If your child needs to be out of uniform, could you send them with a note. If anyone is having trouble with accessing uniform please contact me and I will assist where possible.

**\*\* Reminder: Representative sport gear is ONLY an option on sport days.\*\***

# Coolamon Central School Wellbeing System

Coolamon Central School's Wellbeing System is based on the school's core values:

Students receive “bluey” awards daily for great learning and positive behaviour that happens in the classroom and the playground in line with our core values.

**Primary** students accumulate points via paper blueys and dojo points online. Each fortnight one value is made the focus. Students who have received blueys for the focused value go into a fortnightly raffle drawn at assembly. All dojos and blueys are added to Sentral.

**Secondary** students are awarded blueys from teachers for demonstrating the three values. Once they have a set of five in one colour, they have them stapled and handed into the mailbox in the office. These are then counted to add to Sentral. A draw (2 of each value) is completed at assembly every fortnight.

For all CCS students, these points accumulate towards Bronze, Silver, Gold, Platinum and Opal Awards and contribute to the overall house points.

**Class Awards – 5 Points** - Students will receive these awards fortnightly at assembly and are based on effort, application or achievement in different subject areas.

**Primary** teachers choose three students to receive class awards each fortnight. **Secondary** teachers choose a number of students to receive awards based on overall class size, e.g. three to every ten.

**Principal's Award – 10 Points** **Primary** classes are rostered and the class teacher, in consultation with the principal, choose one recipient per fortnight.

**Secondary** students will receive a Principal's Award for demonstrating consistent application and commitment to learning across all subjects in their semester reports. These are handed out at presentation night.

## **Wellbeing Levels and Rewards**

As students are allocated blueys, they progress through different wellbeing levels. Students are awarded certificates and rewards at assemblies, based on the level that they have achieved. The idea is to reward students with something that supports their schooling.

**Bronze** – Certificate

**Silver** – Certificate and Socks

**Gold** – Certificate and Hat in their house colour

**Platinum** – Certificate and Drink bottle

**Opal** – Certificate and Duffle bag

\*Each year the rewards for the levels are reviewed and are subject to change based on cost or availability.

He is a fabulous role model in PE and Sport and will put his best effort into learning tasks. Well done to Cruz Deighton.
